

IT'S A CHEEKY CAMPAIGN FOR A REASON

In-person performance experiences are back, and we're ready to safely welcome our community back to the Fredericton Playhouse.

More than ever, we believe in the importance of inclusion, and that's why our Friends of the Fredericton Playhouse 2021 campaign is all about putting bums in seats – bringing high-quality live performances to more people in our community than ever before.

SHARE THE MAGIC OF LIVE PERFORMANCE

Ticket sales cover only a portion of the funding required to present programs at the Playhouse. We rely on our Friends to provide the additional support needed to make these special programs available to school children, local artists, and other deserving members of our community.
